Epidemiology,
Rajiv Gandhi Institute of Veterinary Education and
Research, Kurumbapet, Puducherry – 605009

Dear Sir/Madam,

Department of Veterinary Public Health and
Epidemiology, Rajiv Gandhi Institute of Veterinary
Education and Research, Puducherry cordially
invites you to attend One day National Seminar
on “**Effect of climate change on Zoonoses**” to be
held on 6th July, 2017, at Rajiv Gandhi
Institute of Veterinary Education and Research,
Kurumbapet, Puducherry- 605009. This seminar
is intended to impart knowledge about the
effect of climate change on zoonotic diseases in the
country among the faculty, post graduate students

and research scholars. There will be keynote
address by an expert in this field about the theme.
Also the faculty/ post graduate students/ research
scholars can present their research findings. Best
and second best oral presentations will be given
awards. Further faculty/ post graduate students/
research scholars can prepare posters based on the
theme of the seminar (Not necessarily research
work). Best and second best poster presentations
will be given awards. Maximum age limit for awards
will be 35 years as on 1st January, 2017

Participants

Faculty/ Postgraduate students/ Researchers who are
working in the field of Animal Health/Public Health/
Food Science/ Epidemiology etc., are invited to
attend/ participate in the seminar.

Submission of Abstract
